

We need your help! The North Georgia Conference of The United Methodist Church asks that all its churches keep their membership rolls updated. It has been many years since Jonesboro First has reviewed its rolls, and your assistance in locating some of our inactive members is deeply appreciated.

We need to verify that our inactive members want to remain part of our congregation, but we need mailing addresses, email addresses and/or phone numbers so that we can contact them. In some cases, these are children or grandchildren who grew up in this church but have since moved away, and we don't have current information on them.

If we are unable to reach an inactive member, he/she will be placed on a list of members to remove from our rolls. This list will be presented at Charge Conference in October and again at the 2019 Charge Conference. No one on this list will be removed from the rolls before the 2019 conference unless it's by their instruction or we have confirmation that they've joined another church. Please help us reach these inactive members as soon as possible so that we can abide by their wishes. Thank you!

Blessings,

Pastor Valerie
